

BARGAINING UPDATE #5

November 3, 2010

Since our last report to the membership at the Faculty Association meeting on October 22, the Bargaining Team has held five negotiating meetings with the Employer at which financial proposals were exchanged. After five exchanges, negotiations are at a critical stage, and decisions have to be made about how to proceed from here. Your bargaining team needs to hear from you about these issues.

Please plan to attend the special Bargaining Update meeting this **Friday, November 5**, from **3:00 to 4:30pm** in **Seton 526**. At this meeting, we will summarize the current status of negotiations, particularly as they relate to the salary and other financial articles, and invite your feedback on these matters.

Your Faculty Association bargaining team are: Michael MacMillan (Chief), Susan Drain, Robert Farmer and Meg Raven. As always, if you have any questions or concerns, please feel free to contact one of us.

SUPPORT YOUR BARGAINING TEAM!
