 - 15.2.2 The members of this committee shall elect a chair or co-chairs from amongst themselves.
 - 15.2.3 The Employer shall provide support services to this Committee.

ARTICLE 16: AMALGAMATION, CONSOLIDATION, MERGER OF THE UNIVERSITY

- 16.1 The Employer and the Association agree that the provisions of the Trade Union Act covering the transfer of business or successor rights shall apply in the event that the University is, in whole or in part, merged, amalgamated, or consolidated with another employer.

16A Amalgamation, Consolidation or Merger of the University

16A.1 The Employer shall not sell or transfer in whole or in part the assets of the University, or amalgamate or merge with any other body, during the term of the Agreement without prior consultation with the Association. In the event of the sale, transfer, amalgamation or merger of the University in whole or in part, the terms and conditions of the Agreement shall remain in effect during the life of the Agreement. The Employer will use its best efforts to ensure that after the Agreement has expired:

16A.1.1 All members will be employed by the new Employer and, to the extent possible, in the same Departments as they are employed with the Employer;

16B.2 All members of the bargaining unit affected by a department closure, merger and or amalgamation, shall retain their existing academic status which shall, for purposes of contract renewal, tenure, promotion or discipline, be transferred to an appropriate academic unit.

16B.3 In the event that an academic department is terminated, members of that unit shall be eligible for transfer to other units appropriate to the individual's discipline. The transfer location shall be determined by the Vice-President (Academic) in consultation with the appropriate Dean and the affected member. Once a new unit is identified, the member shall receive a new letter of appointment. There shall be no loss of rank. This letter shall specify the duties associated with the new appointment, and indicate a schedule for attaining the additional knowledge and skills necessary for fulfilling duties associated with the new appointment. The Board shall cover the costs of approved retraining.

16C Internal Reorganization of the Library

16C.1 No librarian members shall be laid off as a result of an internal reorganization or closure of the Library, or one or more of the Library's operational areas for reasons other than financial exigency.

ARTICLE 17: FINANCIAL EXIGENCY

17.1 A state of financial exigency exists if there is a sufficiently grave financial situation that endangers the continued functioning of the University, and if reductions are required in the budgetary allocation for salaries and benefits of members.

17.2 In the light of the parties' recognition of the primacy of the University's academic mission and in their desire to preserve the academic integrity of the University, the Board of Governors shall not declare a state of financial exigency and/or initiate the lay-off of members of the bargaining unit except after rigorous economies have been introduced in all sectors of the University, including reductions of non-bargaining unit staff, and after all means of obtaining revenue have been explored and exhausted. No lay-offs of members shall occur except on necessary and reasonable financial grounds.

17.3 The Board of Governors shall not declare a state of financial exigency to exist until the procedures detailed in Articles 17.4 through 17.13 have been completed.

17.4 The President shall notify the President of the Association in writing that the Board believes a state of financial exigency may exist. This notice shall include the information which convinced the Board to reach such a conclusion, its estimate of the magnitude of the problem, its proposal for resolving the problem, and a statement of the proposed reduction in members' salaries and benefits.

17.5 Immediately upon this notice being given, no appointments shall be made to vacant or new positions in the faculty, research, library, or administrative staff of the University until a bona fide state of financial exigency has been determined to exist or not exist, pursuant to Article 17.14.

17.6 Within 20 working days of this notice, a three-person Financial Exigency Committee shall be established. The Committee shall not include any person who has had any interest in the matters coming before the Committee, or who is acting, or has, within a period of six (6) months preceding the date of her appointment, acted as solicitor, counsel or agent of either of the parties.

17.7 The Financial Exigency Committee shall be struck as follows:

17.7.1 One member shall be named by the Association;

17.7.2 One member shall be named by the Board;

- 17.7.3 A Chair shall be agreed upon by the nominees of the Association and the Board;
- 17.7.4 In the event the parties cannot agree on a Chair, this appointment shall be made by the Chief Justice of Nova Scotia.
- 17.8 The Financial Exigency Committee shall attempt to reach a judgement in which all members of the Committee concur. Failing unanimity, the report of the majority shall be the Report of the Committee. Failing a majority, the report of the Chair shall be the Report of the Committee. The report(s) shall be a public document(s).
- 17.9 The Association and the Board may make representations to the Financial Exigency Committee.
- 17.10 The Board shall provide the Financial Exigency Committee with all relevant information, financial and otherwise, requested by the Chair. Delay in provision of information shall lead to an equivalent extension in the Committee's time to report (see 17.11). Failure to provide such information may be grounds for the Financial Exigency Committee to find that a state of financial exigency does not exist.
- 17.11 The Financial Exigency Committee shall report, in writing, within 40 working days of its establishment to both the Association and the Board of Governors.
- 17.12 The Financial Exigency Committee shall consider all of the following:
- 17.12.1 Whether the University's financial position, as evidenced from the total budget, constitutes a budgetary crisis such that substantial deficits projected by generally accepted accounting principles threaten the financial collapse of the University;
- 17.12.2 Whether, in view of the primacy of the University's academic mission, reduction in academic staff is a reasonable type of cost-saving;
- 17.12.3 Whether, in view of the primacy of the University's academic mission, reallocation of budgetary resources, including reserves, is reasonable;
- 17.12.4 Whether all reasonable means of achieving cost saving in other areas of the University budget have been explored and exhausted;
- 17.12.5 Whether all reasonable means of improving the University's revenue position, including borrowing, deficit financing and the sale of real and other property not essential to the academic function, have been explored and exhausted;
- 17.12.6 Whether every effort has been made to secure further assistance from the provincial government;

- 17.12.7 Whether all reasonable means of reducing the academic staff complement, including voluntary early retirement, voluntary resignation, voluntary transfer to partial-time status, and redeployment and the like have been explored and exhausted;
 - 17.12.8 Whether all reasonable means of reducing the non-academic staff complement, including voluntary early retirement, voluntary resignation, voluntary transfer to partial-time status, and redeployment and the like have been explored and exhausted;
 - 17.12.9 The reasons for the Board's belief that a state of financial exigency exists;
 - 17.12.10 The prognosis for recovery; and
 - 17.12.11 Any other matters the Committee deems relevant.
- 17.13 The Report of the Financial Exigency Committee shall include the amount of reduction, if any, required in the budgetary allocation for salaries and/or benefits of members.
- 17.14 After consideration of the Report, the Board shall declare a state of financial exigency to exist or not to exist. A declaration of financial exigency shall indicate the required amount of reduction in the budgetary allocation for members' salaries and benefits.
- 17.15 Members shall only be laid off if it is reasonable and necessary to do so on financial grounds. The order of members' lay-off shall conform to type of appointment, in ascending order:
- 17.15.1 Term;
 - 17.15.2 Probationary;
 - 17.15.3 Tenured or permanent.
- 17.16 Within the order of lay-off specified in 17.15, the sole criterion shall be seniority at the University. Lay-off will be in ascending order of seniority. Seniority shall be determined accordingly:
- 17.16.1 In the case of probationary members, seniority is determined from the date of full-time appointment at the University. In the case of members with tenure or permanence, seniority is determined from the date of tenure or permanence at the University;
 - 17.16.2 Where seniority as determined in 17.16.1 is equal, service at the University prior to the attainment of probationary status, tenure or permanence shall be considered;

- 17.16.3 When there are two or more persons of equal seniority as determined by 17.16.1 and 17.16.2 rank shall be the determining factor. The order of lay-off for faculty by rank shall be Lecturer, Assistant Professor, Associate Professor, Professor. For Librarians the order of lay-off shall be Librarian I, Librarian II, Librarian III, and Librarian IV. For Lab Instructors the order of lay-off shall be Lab Instructor I and Lab Instructor II.
- 17.17 The Employer shall give to each tenured or permanent member who is laid off:
- 17.17.1 Twelve (12) months' notice, or twelve (12) months' salary in lieu of notice, or a combination of notice and salary equivalent to twelve (12) months; and
- 17.17.2 One (1) month's salary for each year of service following full-time appointment at the University, with a minimum of six (6) months' salary and a maximum of eighteen (18) months' salary.
- 17.18 The Employer shall give to each probationary member who is laid off:
- 17.18.1 Nine (9) months' notice, or nine (9) months' salary in lieu of notice, or a combination of notice and salary equivalent to nine (9) months; and
- 17.18.2 Members with more than two years of service shall receive one (1) month's salary for each year of service.
- 17.19 Where a member who holds a term appointment of up to twelve (12) months is laid off, the Employer shall provide notice to the expiry of the term.
- 17.20 The Employer shall give to each member holding a term appointment of greater than twelve (12) months who is laid off the lesser of:
- 17.20.1 Notice to the expiry of the term; or

The recommendation shall bear the signatures of all members of the DRC who participated in the process. University Review Committee

20.7 The URC shall consist of three (3) tenured faculty members of the bargaining unit, and the Vice-President (Academic), who shall be the non-voting chair of the Committee. The function of the URC is to assess the candidate's application in view of the recommendations of the DRC and Dean and in accordance with the criteria and procedures in this Agreement. The URC shall provide a written report annually to the Joint Committee and copies of this report shall be made available to the Deans and to Department Chairs/Directors. The URC shall be constituted in the following manner:

- 20.7.6 In the event of the resignation of a member of the URC, replacement shall be by means of a special election. This election shall be held in accordance with the general provisions outlined in Articles 20.7.1 and 20.7.2;
- 20.7.7 Where, due to illness, conflict of interest, untimely resignation, or other reasons, a member of the URC is unable to deliberate on a case or cases before the URC, the Joint Committee may appoint an alternate member to consider the case or cases until the member returns or is replaced by election as outlined in Article 20.7.6.
- 20.8 The URC may invite a candidate to appear at a meeting for clarification of her application. Such an invitation will be given in writing and shall identify the matters requiring clarification. No new materials may be added to the file at this time. In the event the candidate appears before the Committee, the Chair of the URC shall so advise the Chair of the DRC and the candidate's Dean, and shall invite them to appear before the URC at the same time and, at their option, make representations. The URC shall make a full, reasoned, written recommendation to the President, with copies to the candidate, the Chair of the DRC, and the candidate's Dean. In applications where the recommendation of the URC differs from concurring recommendations of the DRC and the Dean, whether positive or negative, it must provide a full rationale for its decision to differ based on the criteria in the agreement, or on a finding of substantive error or bias.

President's Review

- 20.10 The substance of a URC recommendation made to the President pursuant to this Article 20 shall be binding upon the President. Upon receipt of a URC recommendation, the President shall make a procedural review of the case, and make one of the following decisions:
- 20.10.1 to confirm, without qualification, the recommendation of the URC; or
 - 20.10.2 in the event of procedural irregularity judged by the President to have influenced the recommendation of the URC, to direct that the case be considered by a University Appeals Committee (UAC).
- 20.11 Where the President confirms the recommendation of the URC, she shall communicate her decision in writing to the candidate, with copies to the URC, the Vice-President (Academic), the Chair of the DRC, the candidate's Dean, and the President of the Association within ten (10) working days of receiving the recommendation of the URC.
- 20.12 Where the President directs the case to be considered by a UAC pursuant to Article 20.10.2, she shall, within ten (10) working days of receiving the URC recommendation, render a written, reasoned decision identifying the procedural error(s) necessitating an appeal. This decision shall be sent forthwith to the candidate, the URC, the Chair of the DRC, the candidate's Dean, and the President of the Association.
- 20.12.1 When the President directs the case to be considered by a UAC, the candidate has the right to enumerate the grounds for an appeal under any of the grounds defined in Article 20.14. The candidate shall enumerate these grounds in writing to the UAC within ten (10) working days of receiving notice of the President's decision.
- 20.13 Where the President confirms a negative recommendation of the URC pursuant to Article 20.10.1 and relating to reappointment, tenure, or promotion, the candidate may within ten (10) working days of being notified of the decision, give written notice to the President, the URC, the candidate's Dean, the Chair of the DRC, and the President of the Association of her intention to appeal.
- 20.13.1 When the candidate appeals a negative decision by the URC which is confirmed by the President, the candidate shall enumerate the grounds for the appeal pursuant to Article 20.14 in her notice of appeal.

Appeals

- 20.14 The grounds on which a candidate may appeal the outcome of the President's Review under 20.10 shall be limited to:

- 20.14.2 Allegations of substantive error. Substantive grounds include allegations of incorrect application of the criteria in the Collective Agreement.
 - 20.14.2.1 Candidates may only appeal on the basis of substantive grounds in cases where:
 - 20.14.2.1.1 the URC's decision has the effect of terminating employment, or
 - 20.14.2.1.2 the URC's decision conflicts with the recommendations of the DRC and/or the Dean.
- 20.14.3 Allegations that academic freedom as defined in Article 2 has been violated;
- 20.14.4 Allegations that the principles of equity and fairness as defined in Article 3A have been violated.

University Appeals Committee

- 20.15 When the President has received notice of appeal, she shall notify the Alternate Dean or appropriate substitute. The Dean shall, within thirty (30) calendar days, ensure the constitution of the UAC under the terms of 20.16.
- 20.16 The following provisions shall govern the constitution of the UAC:
 - 20.16.1 No individual who participated in previous stages of the candidate's evaluation shall be a member of the UAC;
 - 20.16.2 The UAC shall be a three-person panel: one internal faculty member named by the candidate; one internal faculty member named by the URC (without the participation of its Chair); and one internal faculty member chosen from the candidate's Faculty named by the Joint Committee. The Alternate Dean shall act as non-voting Chair. Each member of the committee shall perform the work of the committee in an objective manner.
- 20.17 The function of UAC shall be to determine if the recommendation of the URC was fair and reasonable after consideration of the evidence of the grounds for appeal. The UAC shall base its decision on the reasonableness of the actions of the URC and not on its opinion of the recommendation.
- 20.18 The following provisions shall govern the operation of the UAC:

- 20.18.1 The UAC may decide by unanimous vote that no hearing is needed because the grounds advanced by the candidate under the provisions of 20.14 are insufficient to warrant an appeal and not material to the URC's decision. In that case it shall not hear the appeal but shall uphold the URC's decision;
- 20.18.2 Where the UAC decides that the grounds advanced by the candidate are sufficient to warrant an appeal, it must give written notice to the candidate, the President, the URC, the Vice-President (Academic), the Chair of the DRC, the candidate's Dean, and the President of the Association and it must start a hearing within twenty (20) working days;
- 20.18.3 In considering the appeal the UAC shall consider only the evidence which was presented to the URC, and the criteria and procedures in this Agreement;
- 20.18.4 The candidate, the President, and a member of the URC shall be given the opportunity to appear before the UAC in order to respond to the evidence before the committee, including that of witnesses called under the terms of Article 20.18.5, and to answer any questions put by the UAC;
- 20.18.5 The UAC by majority vote may call and examine the candidate, the Chair of the DRC, the candidate's Dean, and/or a member of the URC as witnesses at the hearing. With the approval of the Joint Committee, other witnesses may be called. Only the UAC may question witnesses;
- 20.18.6 The proceedings may be taped, the tapes shall be solely for the purpose of helping the UAC prepare its report, and the Chair shall ensure that the tapes are erased subsequent to the preparation of that report;
- 20.18.7 At the conclusion of the hearing the UAC shall conduct its deliberations and make its decision in camera. The decision shall be by simple majority. The UAC shall render a decision within ten (10) working days of the conclusion of the hearing in a full, reasoned, written report.
- 20.19 In rendering a decision, the UAC may either uphold the recommendation of the URC or determine that the grounds for the appeal have been substantiated.
- 20.19.1 If the UAC determines that the grounds for appeal have been substantiated it shall reassess the candidate's application in accordance with the criteria and procedures in this agreement. The UAC must not base its decision on the grounds for appeal alone but rather on an overall assessment of the candidate's application and the criteria for appointment, tenure, or promotion. It may not recommend that reappointment, tenure, or promotion be granted solely on the basis of a procedural error.

- 20.20 The decision of the UAC shall be final and binding on all parties, and shall not be the subject of grievance or arbitration under this Agreement. It shall be communicated forthwith, in writing, to the candidate, the President, the URC, the Vice-President (Academic), the Chair of the DRC, the candidate's Dean, and the President of the Association.
- 20.21 The employer and the Association shall share equally all costs of business conducted by the UAC.

20.25 Information obtained through electronic surveillance devices will not be used in any evaluation of a member's teaching, research, or collegial service in any renewal, tenure, or promotion proceeding.

20.26 In evaluating a candidate's application for reappointment, tenure, or promotion, the payment or non-payment of a fee for work shall not be a factor in assessing the value of that work.

- 21.17 The function of UAC shall be to determine if the recommendation of the URCL was fair and reasonable after consideration of the evidence of the grounds for appeal. The UAC shall base its decision on the reasonableness of the actions of the URCL and not on its opinion of the recommendation.
- 21.18 The following provisions shall govern the operation of the UAC:
- 21.18.1 The UAC may decide by unanimous vote that no hearing is needed because the grounds advanced by the candidate under the provisions of 21.14 are insufficient to warrant an appeal and not material to the URCL's decision. In that case it shall not hear the appeal but shall uphold the URCL's decision;
- 21.18.2 Where the UAC decides that the grounds advanced by the candidate are sufficient to warrant an appeal, it must give written notice to the candidate, the President, the URCL, the Vice-President (Academic), the Chair of the LRC, the University Librarian, and the President of the Association, and must start a hearing within twenty (20) working days;
- 21.18.3 In considering the appeal the UAC shall consider only the evidence which was presented to the URCL, and the criteria and procedures in this Agreement;

- 21.19.1 If the UAC determined that the grounds for appeal have been substantiated it shall reassess the candidate's application in accordance with the criteria and procedures in this Agreement. The UAC must not base its decision on the grounds for appeal alone but rather on an overall assessment of the candidate's application and the criteria for appointment, permanence, or promotion. It may not recommend that reappointment, permanence, or promotion be granted solely on the basis of a procedural error.
- 21.20 The decision of the UAC shall be final and binding on all parties, and shall not be the subject of grievance or arbitration under this Agreement. It shall be communicated forthwith, in writing, to the candidate, the President, the URCL, the Vice-President (Academic), the Chair of the LRC, the University Librarian, and the President of the Association.

- 37.2 In all cases other than the exceptions noted in this clause, there shall be a single arbitrator. The parties accordingly desire and intend to operate strictly within the time limits prescribed for taking the various steps in the procedure. However, it is recognized that it will not always be possible to do so; therefore, the parties may agree in writing to extend any time limits specified in either the grievance or arbitration procedure. Furthermore, the arbitrator or arbitration panel shall have the power to relieve against non-compliance within time limits, provided that the arbitrator or arbitration panel is satisfied that there are reasonable grounds for granting an extension and provided that granting the extension does not create prejudice to either party.
- 37.9 The Association shall have the right to receive from the Employer any information relevant to the matter in dispute including the full particulars of the grievance. Such information shall be provided to the Association within a reasonable time, but not less than fifteen (15) working days, in advance of the arbitration hearing in order to prepare its case. The Employer shall have a similar right to obtain information, including full

particulars of grievances, from the Association, within a reasonable time, but not less than fifteen (15) working days, in advance of the arbitration hearing in order to prepare its case. It is agreed that the arbitrator or arbitration panel shall have jurisdiction to determine any application for particulars or production of documents.

- 37.10 Where the arbitrator or arbitration panel determines that a disciplinary penalty or discharge is excessive, he (it) may substitute such other penalty for the discipline or discharge as he (it) considers just and reasonable in the circumstances.

necessitating an appeal. This decision shall be sent forthwith to the candidate, the URCLI, the Chair of the DRCLI, the candidate's Dean, and the President of the Association.

48B.15.3 Allegations that academic freedom as defined in Article 2 has been violated;

48B.15.4 Allegations that the principles of equity and fairness as defined in Article 3 have been violated.

The Alternate Dean shall act as non-voting Chair. Each member of the committee shall perform the work of the committee in an objective manner.

48B.18 The function of the UAC shall be to determine if the recommendation of the URCLI was fair and reasonable after consideration of the evidence of the grounds for appeal. The UAC shall base its decision on the reasonableness of the actions of the URCLI and not on its opinion of the recommendation.

48B.19 The following provisions shall govern the operation of the UAC:

48B.19.1 The UAC may decide by unanimous vote that no hearing is needed because the grounds advanced by the candidate under the provisions of 48B.11 are insufficient to warrant an appeal and not material to the URCLI's decision. In that case it shall not hear the appeal but shall uphold the URCLI's decision;

48B.19.2 Where the UAC decides that the grounds advanced by the candidate are sufficient to warrant an appeal, it must give written notice to the candidate, the President, the URCLI, the Vice-President (Academic), the Chair of the DRCLI, the candidate's Dean, and the President of the Association and it must start a hearing within twenty (20) working days;

48B.19.3 In considering the appeal the UAC shall consider only the evidence which was presented to the URCLI, and the criteria and procedures in this Agreement;

48B.19.4 The candidate, the President, and a member of the URCLI shall be given the opportunity to appear before the UAC in order to respond to the evidence before the committee, including that of witnesses called under the terms of Article 49.18.5, and to answer any questions put by the UAC;

48B.19.5 The UAC by majority vote may call and examine the candidate, the Chair of the DRCLI, the candidate's Dean, and/or a member of the URCLI as

witnesses at the hearing. With the approval of the Joint Committee, other witnesses may be called. Only the UAC may question witnesses;

- 48B.19.6 The proceedings may be taped, the tapes shall be solely for the purpose of helping the UAC prepare its report, and the Chair shall ensure that the tapes are erased subsequent to the preparation of that report;
- 48B.19.7 At the conclusion of the hearing the UAC shall conduct its deliberations and make its decision in camera. The decision shall be by simple majority. The UAC shall render a decision within ten (10) working days of the conclusion of the hearing in a full, reasoned, written report.
- 48B.20 In rendering a decision, the UAC may either uphold the recommendation of the URCLI or determine that the grounds for the appeal have been substantiated.
- 48B.21 If the UAC determines that the grounds for appeal have been substantiated it shall reassess the candidate's application in accordance with the criteria and procedures in this agreement. The UAC must not base its decision on the grounds for appeal alone but rather on an overall assessment of the candidate's application and the criteria for reappointment or permanence and promotion. It may not recommend that reappointment or permanence and promotion be granted solely on the basis of a procedural error.
- 48B.22 The decision of the UAC shall be final and binding on all parties, and shall not be the subject of grievance or arbitration under this Agreement. It shall be communicated forthwith, in writing, to the candidate, the President, the URCLI, the Vice-President (Academic), the Chair of the DRCLI, the candidate's Dean, and the President of the Association.
- 48B.23 The employer and the Association shall share equally all costs of business conducted by the UAC.
