Bonjour tout le monde,

I met with the Employer's Lead Negotiator to determine the process for drafting the CA. She completed the package of agreed-upon proposals, she provided us with an electronic version, and I picked up the hardcopy on Tuesday. I am combing through the 410-page document with the team, aiming to complete the review by the end of next week. Of course, our new CA is not that long! The package is long because we negotiated through email rather than in person followed by the marathon negotiations that led to the tentative agreement. Agreement was reached in emails, verbally in person during that weekend, and on other pieces of paper. Gathering all of the bits and pieces was tedious and she is well-aware that there will likely be revisions to make.

I thank you for your continued patience!

En toute solidarité/In solidarity,
Geneviève
