Dear MSVUFA members,

I'd like to bring a quick update/headsup for the upcoming FA General Meeting on Friday Oct 18 at 3:05pm (at McCain 105/106 and online). I look forward to seeing you all on Friday, either in person or online.

The two parties' lawyers have continued engaging in a constructive discussion since last week. Significant progress has been made towards signing a Facilitated Agreement and, subsequently, signing the CA. The FA Exec and BT members are hoping to bring you an update with more solid information on Friday's General Meeting.

The Joint Committee (JC) has also been communicating constructively and will be meeting for RTPP issues again on the morning of Friday October 18. Please know we prioritize resolving RTPP issues ASAP and have been working intensely on it. We will bring an update on RTPP in our General Meeting as well.

Besides, I am supposed to give an oral report on the October 10 Board of Governors (BoG) meeting. However, due to the rich information included in my report with respect to a serious incident occurred during the BoG meeting, I decided to send a written report to all members in advance to leave time for more discussions at the General Meeting. Please check your FA email account for my written report entitled "FA President's report on the October 10 BoG meeting".

Thank you and in solidarity,
Tianyuan
